Disc Golf Rules and Instructions

The object of the games is to play the entire course in the fewest number of throws.

- Do not throw until other park visitors are safely out of range.
- Begin each hole by throwing from the concrete tee pad.
- Both feet must be behind the tee pad front edge when releasing your throw.
- All other throws are made from the front edge of where your disc comes to rest.
- Players may not break, bend, or hold back any object or vegetation in order to make room for their throwing motion or their path to the basket.
- The rules require you to take the "least invasive" stance behind your disc.
- Players in groups throw one at a time.
- The player whose disc is farthest from the basket throws next.
- To complete the hole, your disc must come to rest in the basket or chains.
- Any littering is considered a courtesy violation and incurs a 1-stroke penalty.

Park Rules

- Park Hours:** Sunrise - 10 p.m.
- Use paths where possible to reduce erosion.
- Clean up after your pet and keep them leashed.
- Leave the park cleaner than you found it.
- No unauthorized motorized vehicles allowed off paved paths.
- Be courteous to other park visitors.
- If you have any questions or concerns, please contact the Waukee Parks & Recreation Department at 515-978-0007.

Sponsors & Donors

This course is the result of a partnership between the City of Waukee, 2004 Eagle Scout Clark Bowden, and many generous sponsors and donors. This project was built to enhance Centennial Park by adding a disc golf course for the enjoyment of youth, families and people of all ages.

It also provides an additional venue in the metro area for a growing sport that is enjoyed by many enthusiasts.

The completion of this course is due to the time given by individuals who advised and helped build the course and businesses and corporations who loaned equipment or gave financial assistance.
